ENGINEER'S REPORT

Company Name: _____
 Address: _____

REPORT FOR THE PERIOD	
FROM	TO
MONTH / YEAR	MONTH / YEAR

In the space below please list the dates when visits were made to the company's design office, shop and/or field sites.

Design Office: _____
 Shop: _____
 Field Sites: _____

- 1 Check each welding process currently in use in the shop. SMAW GMAW FCAW SAW GTAW Other _____
- 2 Check each welding process currently in use for field operators. SMAW GMAW FCAW SAW GTAW Other _____
- 3 Does the company have CWB approved welding procedure specifications and data sheets covering all types of work currently performed? (CWB approval N/A for W55.3. WPS and WPDS approved through internal procedures qualification test.) YES NO
- 4 Was the work in progress performed in accordance with CWB approved welding procedure specifications and data sheets? (For W55.3: As above, work performed in accordance with internally approved WPS and WPDS.) YES NO
- 5 If the answer to question 3 and/or 4 is "NO" specify reasons and what action has been taken.

- 6 Is the storage of electrodes in accordance with CSA Standards? YES NO
- 7 Is the level of workmanship in conformance with CSA Standards? YES NO
- 8 Are all welders currently employed qualified by CWB to the pertinent certification standard for the work they are doing? (N/A for W55.3) YES NO
- 9 Have all welding supervisors currently directing the company's welding operations completed the qualifying examinations of the pertinent certification standard? YES NO
- 10 Are all welding supervisors sufficiently familiar with the company's CWB approved welding procedures and CSA Standards to apply their requirements to the company's welding operations? YES NO
- 11 Are copies of the company's welding procedures available in the shop and at all field locations to those personnel who require them? YES NO
- 12 Are all consumables currently being used certified by the CWB? YES NO
- 13 Do the drawings used for fabrication and/or erection contain sufficient notes, weld details and welding symbols conforming to the applicable design standards needed to produce the desired weld? YES NO
- 14 Has the latest CWB audit been reviewed with the company? YES NO
- 15 This report has been reviewed with _____ of the subject company.

COMMENTS (Additional space on Page 2)

It is my opinion that, on the basis of information made available to me (and subject to the conditions set out below) the requirements of pertinent standards with respect to welding design and practice Have been met Have not been met
 In submitting this report it is understood that my verification of the above conditions is based on periodic inspections only.
