	<input type="checkbox"/> AC <input type="checkbox"/> DC <input type="checkbox"/> CV <input type="checkbox"/> CC		

* (e.g. motor generator, transformer, inverter, spot, seam, flash butt)

B. AUXILIARY EQUIPMENT (Provide brief description of the equipment used)

<p>a) Cutting</p> <div style="border: 1px solid black; height: 40px; width: 100%;"></div>	<p>e) Post - Weld Heat Treatment</p> <div style="border: 1px solid black; height: 40px; width: 100%;"></div>
<p>b) Gouging</p> <div style="border: 1px solid black; height: 40px; width: 100%;"></div>	<p>f) Inspection and Testing</p> <div style="border: 1px solid black; height: 40px; width: 100%;"></div>
<p>c) Grinding</p> <div style="border: 1px solid black; height: 40px; width: 100%;"></div>	<p>g) Other</p> <div style="border: 1px solid black; height: 40px; width: 100%;"></div>
<p>d) Preheating</p> <div style="border: 1px solid black; height: 40px; width: 100%;"></div>	<div style="border: 1px solid black; height: 40px; width: 100%;"></div>

C. For certification to CSA W47.2 only, provide representative samples of working drawings

DRAWING NUMBER	TYPE OF WELDED PRODUCT

D. QUALITY CONTROL SYSTEMS

Indicate if the company has methods for:

- The designation and training of personnel responsible for quality
- Controlling quality and other types of documentation
- Review, selection and control of subcontractors
- Control of customer supplied products
- Identification and traceability of materials
- In process control of fabricated products
- Inspection and testing
- Control of non-conforming products
- Identifying, investigating and correcting non-conforming products and preventing a recurrence of problems
- Handling, storage, packaging, presentation and delivery of materials
- Conducting internal quality audits

Is the company's quality system registered with an accredited Registrar? Yes No

If yes, please provide details: _____

Indicate the method used for inspection of materials and weldments:

- Visual
- Magnetic Particle
- Ultrasonic
- Radiography
- Liquid penetrant
- Peel
- Bend
- Chisel
- Tension
- Torsion

Other Comments:

--

E. Describe the facilities available for the storage and conditioning of Welding Consumables

F. For certification to CSA W47.2 only, provide a description of the facilities and procedures for cleaning aluminum

G. For certification to CSA W55.3, submit procedures for:

- a) WPS qualification and process control, and the WPDS; and
- b) equipment maintenance.
