For Immediate Release

CWB Group has been named #23 out of Canada's Top 50 Best Small to Medium Employers!

Milton, ON- Thursday, October 28th, 2010- CWB GROUP is pleased to be named **#23 among the Top 50 Best Small and Medium Employers in Canada**. The survey was conducted by Aon Hewitt, a human capital consulting and outsourcing solutions business; and by Queen's University School of Business. The news will be published in the November 8th issue of Maclean's Magazine on newsstands this week.

About 134,000 employees were surveyed for this 2011 study. The national awards program recognizes top employers that have between 50 and 50,000 employees. Hewitt defines employee engagement when employees, "say, stay and strive". CWB Group is all about maintaining this type of enthusiasm among our employees.

"Once again being named one of Canada's Top 50 SME companies in employee engagement is a tremendous honour and speaks to the entire staff of the CWB Group. As a service organization, employee engagement is critical to the success of our company and the products and services we supply to the welding and joining industry. I am so proud to be part of this great organization and the people within it." says CWB Group President & CEO Doug Luciani.

The rankings are primarily determined using the results from Employee Opinion Surveys. More than 251 companies across Canada registered to participate in the study. Information about the Best Small & Medium Employers in Canada can be found at www.hewitt.com/bestemployerscanada.

About CWB Group

The CWB Group is a not-for-profit organization providing welding certification and education through the Canadian Welding Bureau (CWB), management system registration through our QUASAR division, non-destructive examination training through our INTEG division, and membership services through the Canadian Welding Association (CWA).
