#### Pre-Requisites

There are no prerequisites for this course. However, it is **strongly recommended** that modules are thoroughly reviewed prior to the course. If you plan to write the CSA W178.2 Visual Welding Inspector Level 1 certification examinations, it is recommended that you complete and submit the application form for certification and visual acuity report prior to attending the course. These forms may be obtained from the CWB website. Attendees who are writing the certification examinations must bring CSA Standard W178.2 and the applicable code/standard for the open book exam on these standards. See page 2 of this form to order when registering for the course.
